## **EEO OUTREACH ACTIVITIES**

**April 1, 2015 – April 1, 2016**

Kankakee Valley Broadcasting Company, Inc. (“KVBC”), has employed a comprehensive outreach and recruitment program designed to widely disseminate information regarding full-time job opportunities at its stations.

Every six months, KVBC stations will air a Public Notice Press Release and the unit will also send a Press release to the local daily newspaper and to various community groups and schools, inviting community groups, minority organizations and interested civic organizations to notify station management if its group would like to be notified regarding each new, full-time job opening. To date, no local group has expressed any interest in receiving information regarding any job openings. The licensee plans to continue its advertising and Press Release efforts with the hope that local groups might soon be interested in receiving such information.

KVBC will advertise all of its job openings in the local newspaper and on its radio stations.

The licensee has selected the following menu options:

1. Participate in other activities than the ones listed that the licensee has designed to further the goal of disseminating information about employment opportunities.
2. Provide training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination.

On December 19, 2015, the unit sponsored simultaneous Open House events at WYMR. Four people attended these events. All management personnel and owners were available during the events. There were no job openings during these events. Live, on-air announcements were used to support these events.

During this period, the station manager continued training to ensure equal employment opportunity and preventing discrimination. The general manager studied chapters Five and Six of the book, EEO Law and Personnel by Arthur Gutman.

### Local News the Way it Should Be!

by Idessauer » Mon May 11, 2015 5:51 pm

Award-winning Local Broadcasting group with modern, active website seeks broadcast journalist to join award-winning news team. This is NOT an entry-level position. The ideal candidate will have experience in working under deadline pressure, writing concise, compelling copy, incorporating soundbites into a story and developing solid, professional relationships in our communities, all while sounding great on the air anchoring newscasts. Reporters use cool edit pro (adobe audition) and NexGen as digital editing platforms. Station is locally-oriented: reporter MUST cover evening meetings and file stories for the first A.M. newscast and website. This is the real thing. WKVI FM/AM & WYMR are locally owned in Starke County, Northwest Indiana (South Bend Market). See our websites at www.wkvi.com and www.max983.net. Kankakee Valley Broadcasting is an equal opportunity employer. Instructions to apply: Send resume, writing samples and mp3 to News Director Mary Perren at mary@wkvi.com. No telephone call please. All inquires will be kept confidential. Idessauer
