ISDH Increases Local COVID-19 Testing Efforts

The Indiana State Department of Health is partnering with local health departments to open 95 additional testing sites statewide by October 1. ISDH is providing more than $30 million in funding through the CARES Act to increase access to COVID-19 testing for Hoosiers over the next two years.

Testing sites through this grant opportunity are free and available for anyone over 2 years old regardless of symptoms in the following locations:

- Location: LifePlex Medical Center
  2855 Miller Drive
  Plymouth, IN 46563
